# Welcome from the Principal

For many of you I am sure if I mention the word Tetris, you will hear it before you envision it. It is a little like that for me this week with the Mario theme as we held our first Esports house competition in school. An exciting way to spend lunchtimes, we are looking to open up the age groups in an evening event later in the term. I have also enjoyed being able to get into classrooms this week and enjoy the excellent teaching and learning taking place. Term 2b is always a great time of the academic year as routines are embedded and relationships are established which assists progression. You will hopefully have received information regarding our leaps to standardise homework quality and provision this week. Whilst with all new introductions; small hurdles are expected, please do reach out to form and subject teachers for any assistance required. Have a great weekend ahead!

Nicholas Belcher

## School Uniform

## PE Uniform

We are aware that some students prefer a cotton based shirt.  
Please note that Lim's are in agreeance to accomodating this by  
manufacturing a cotton version in the same style .

They require a minimum order of 5 but can make for example  
3 in one size and 2 in a larger size.

Please process directly with Lim's;

# In Touch with Learning

The school strives to keep parents informed about their child's learning whilst balancing our teacher's priorities. A reminder that tutor and subject-teachers are always available, and aim to respond to parent emails within 48-hours, however the following are two ways you can immediately keep up-to-date with your child's learning.

## Weekly Subject content

Reminding children of learning, and pre-teaching key terms or ideas, is shown to be beneficial, so we've put together a summary of upcoming content for each class here: [Parent-Shared](#)

## Term 2B Curriculum Letter

Similarly your child's curriculum and supporting material for the following half-term will be permanently collated here: [Parent-Shared](#). T2B Curriculum Letters will be here from next Friday. I apologise for the lateness of these. The workload rebranding them and moving from Microsoft to Google has been extensive.

WINNING HOUSE!

This week has been a frenzy of excitement in Years 6,7 and 8 as Mr Belcher led the first E-Sports House competition. A week long competition taking place on lunchtimes, a lot of fun was had by all including Mr Burke who made it to the semi finals! Well done to all who participated, we look forward to more competitions like this in the Primary and Secondary key stages.

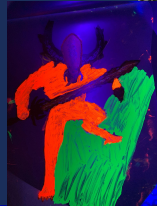

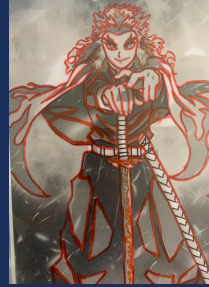

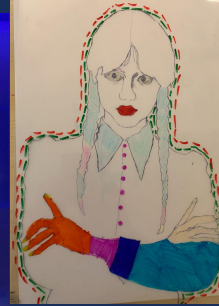

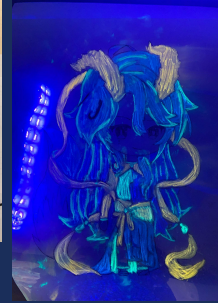

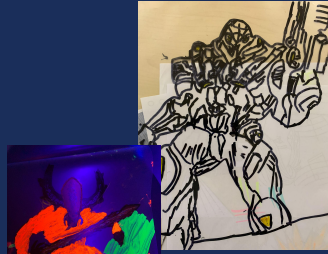

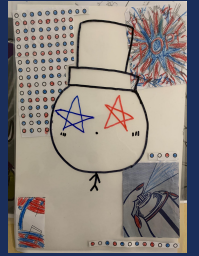

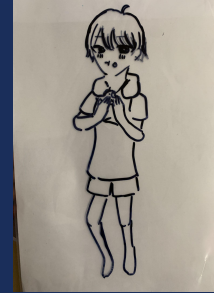

# Art and Design in Primary

The Birds of Bukit Timah ECA has made the jump from researching to sketching and finally drafting murals. We have decided as enthused bird watchers, to beautify walls with the colours and contours of the local specimens. Our initial sketches have allowed us to capture the fragility of feathers and prepped us for the final painting of coloured wings, claws and beaks! More will be posted as we learn more about their nature, habitats and tendencies!

# Art and Design in Secondary

The year 7 are exploring illustrated bodies in art and asking the question why we are drawn to them and how they influence us. As their pop art compositions develop we keep layering the image. We begin with the bright colours of Andy Warhol and also the Ben Day Dots of Roy Lichtenstein to incorporate the 'pop' in popular art. The end result will be displayed in the 'Art Connects' festival end of March!

# Science News!

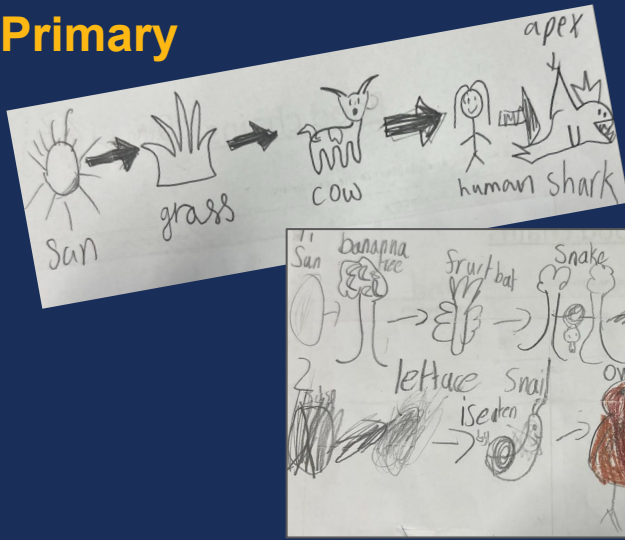

Math and Science week just got MUCH bigger! We had so much fun last year, we feel EVERYONE in our school should celebrate all that is great in the world of Science, Technology, Engineering, Arts and Math in one exciting and educational week! In March, we will share our own passions with themed lessons across the key stages and the curricula with STEAM homework, workshops and competitions! The theme and timing will still tie in with British Science week - this year it is **TIME** to commemorate this year being the 30th British Science Week!

We will invite artists, scientists and engineers from all over the world to share their ideas and passion with our students too!

**Do you work in STEAM?** Could you record a short clip of you at work or explaining your job and sharing your STEAM experiences with our students! Would you like to visit us? If so please contact Dr King immediately ([dee.king@invictus.edu.sg](mailto:dee.king@invictus.edu.sg)) so we can weave your contribution into our week!

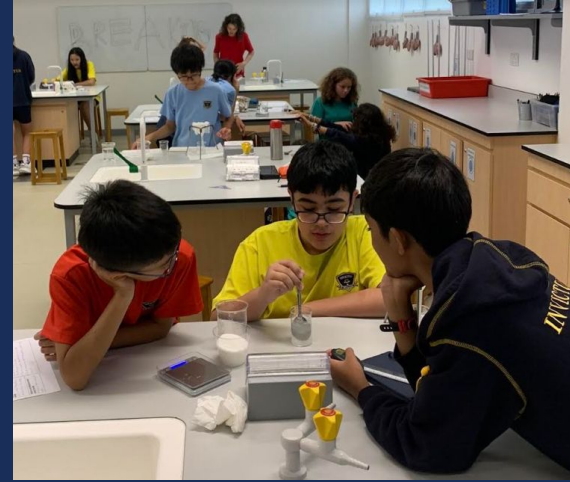

## Primary

# Science

## Secondary

Primary science this week has seen the continuation of our interesting Animals topics for years 3 and 5. Following the exciting owl pellet dissection, year 3 have been thinking about food chains and who eats what! Using their extensive knowledge of different animals, they have even created their own! Year 5 have been thinking about physical and behavioural adaptations and what makes animals successful in their habitats!

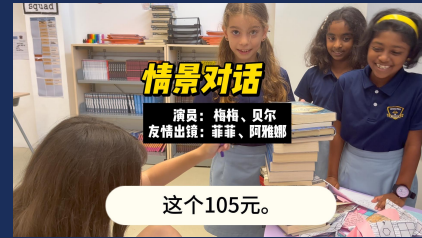

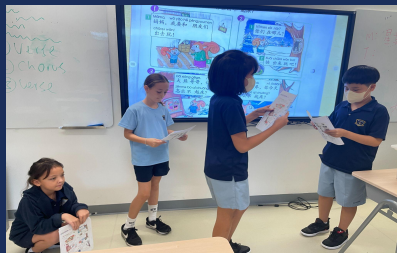

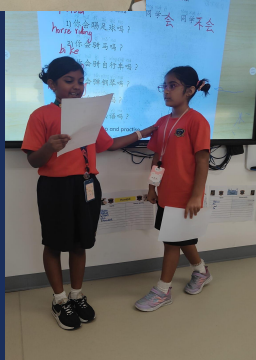

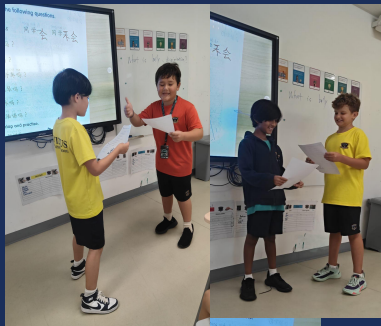

In our secondary years it has been skills, skills, skills this week with students conducting simple chemical reactions in year 7 and conducting research, presenting their findings and planning an investigation with electromagnets in year 8!

# Chinese Language in Primary

We are thrilled to extend a warm welcome to Ms Li Jing, our new Chinese Language teacher, who joins us with a wealth of knowledge and passion for Mandarin education. Ms Li Jing comes to us with a deep commitment to fostering a love for the Chinese language and culture. Her presence will continue to enhance the teaching and learning of Chinese Language at our school.

This week's Chinese lessons are engaging and creative, placing a strong emphasis on conversational skills to enhance student's speaking proficiency. Pupils actively participated in role-playing activities, where they acted out various stories and engaged in dialogues which they've learned. This allows them to practice pronunciation, fluency and real-life communication scenarios. It is wonderful to see our pupils progressing by the weeks in their reading fluency and pronunciation, as well as applying their knowledge in practical conversations.

# Chinese Language in Secondary

This week, we are delighted to shine a spotlight on the accomplishments of a few of our secondary students in their composition skills. They have demonstrated a good level of mastery of language, displaying creativity, critical thinking and a keen understanding of written expression. Well done!

停电

晚上的时候我们都家里  
妈妈在做饭，奶奶在看电视，  
姐姐在努力做题，我在玩乐  
高。突然“咔嚓”的一声，家  
里一片黑暗，我们的家停电了。

妈妈发现对面的邻居也都  
停电了，就到抽屉里找了一根  
蜡烛和火柴，妈妈点燃了蜡  
烛，我害怕得大哭起来。奶  
奶看到我大哭，就安慰我说：“  
不要哭，我们一家都在这里，  
只是停电了。”

过了一会儿，我们的家又  
亮了。妈妈回到厨房继续做饭，  
饭做好了，我们狼吞虎咽地  
把饭吃了。

假期生活

在漫长的圣诞节假期里，  
我似乎干了许多事情，但又感  
觉什么都没干，接下来的几件  
事。

第一件事就是：我开始书  
法了。练书法是一个极其困难  
的事情，我们首先要平心静  
气，静坐半个小时。在这半  
个小时里要做到心无杂念，不  
可一心二用。待我们打坐完  
后，老师就会发给我们一人一  
个砚台。这个砚台设计的非常  
巧妙，利用墨条和砚台的摩擦  
产生墨汁。整个过程非常治愈，  
这是我最喜欢的环节。没有之  
外，下一部就是写字了，没有  
写一个心。

Liu Ziqi  
Yr 8.1

三分生，七分熟。哪  
怕会赢，上三分生，七分熟。  
一个错字，会慢。中国有一  
句老话，说的好，心急吃不  
了热豆腐。写书法时，一定  
要稳和德，这是最重要的两  
点。只要掌握，就能练成一  
定能练成。

第二件事是：让我印象深  
刻的，可以说是死里逃生，非  
常惊险。那一天我和家人怀  
着激动的心情，登上飞机。上  
意，果不其然，我的预判是  
对的。刚到日本，我就收到  
了一个沉重的消息：日本发  
生了7.0级超大地震，我们被  
逼立立的马板抗。这无疑是一  
件悲伤的事，把我们的心  
情从高涨又打回谷底。

新年记事

回到广东后，我每一天都  
过的很开心，但是让我记忆  
深刻的还是大年初一的拜  
年。又是一年新春路上，很  
扫兴的干干净净，每家每户  
的门口都有对联，我很喜欢  
送对联。我和妈妈说：“今天  
出门的人可真不少。”妈妈  
对我说：“今天是个好日子，  
人们辛苦了一年，也忙了这  
四五天，开开心心，也是个  
好日子。这几天当然多出门  
走走看看，拜个年。”我们  
去拜了奶奶，刚开门就看见  
了奶奶，我和奶奶们一年见  
一次，奶奶们可想我了。

# Music in Primary

This week the students excitedly came back to school with a new keyboard space set up for individual and partner work. The students enjoyed working on various short simple tunes recognising keyboard notes on the keyboard and xylophone from Rush-E to Pirates of the Caribbean and K-Pop to Taylor Swift for the upper primary students.

# Physical Education in Primary

PE lessons this week were buzzing with energy as our Year 3 students tackled jumping rope activities.

They paired up for peer assessment, offering insightful feedback and helping each other refine their techniques. Together, they are proving that practice makes perfect, and that supporting one another leads to personal success. Keep up the the fantastic teamwork, Year 3!

# Physical Education in Secondary

Our Year 8 delved into the world of striking and fielding with the introduction of T-Ball. T-ball is a modified version of baseball designed for younger children or beginners.

They focused on honing their throwing and catching skills, gearing up for a thrilling mini T-ball match complete with bases for the last 10 minutes of PE lesson. The objective? A Home Run of course.

# Key Stage 1 – Years One and Two

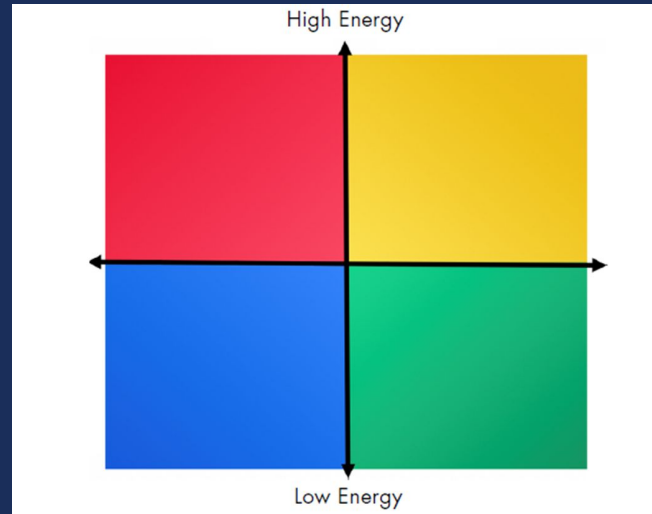

To get ready to learn this term, our Key Stage One students re-engaged with 'The Zones of Regulation'.

We all need to self-regulate our feelings, emotions, and reactions all day, every day in a huge variety of situations. Feelings come in different sizes, intensity, and levels of energy. To help us talk and think about this, we can categorize them into four coloured categories. We encourage you to use these zones when talking to your children about their emotions and how they are feeling. If you would like more information about The Zones of Regulation, please don't hesitate to contact KS1 Leader, Dani Shaw ([dani.shaw@invictus.edu.sg](mailto:dani.shaw@invictus.edu.sg))

The Red Zone is used to describe extremely high energy and intense feelings. A person may be feeling elated, anger, rage, devastation, out of control, or terrified when in the Red Zone.

The Blue Zone is used to describe low levels of energy and down feelings, such as when a person feels sad, tired, sick, or bored.

The Yellow Zone is used to describe when our energy is higher and emotions get a little bigger; however, a person has more control when in the Yellow Zone. A person may be experiencing stress, frustration, anxiety, excitement, silliness, the wiggles, or nervousness when in the Yellow Zone.

The Green Zone is used to describe when we feel calm and in control. A person may be described as happy, focused, content, or ready to learn when in the Green Zone. This is the Zone where optimal learning occurs.

# Key Stage 2– Years Three, Four, Five and Six

We are thrilled to introduce Ms Angela Lu as our new Key Stage 2 Lead. With a passion for curriculum and pastoral development, Ms Lu brings a wealth of experience and enthusiasm to her role. We look forward to the positive impact she will undoubtedly make in continuing to guide and develop the key stage. Your first point of contact should be the form teacher but should you need to reach out to Ms Lu, her email address is [angela.lu@invictus.edu.sg](mailto:angela.lu@invictus.edu.sg).

This week, Mrs Burke led a special assembly related to Valentine's day, where she emphasised the importance of positive friendships and relationships within our school community. Mrs Burke encouraged the pupils to express care and consideration to one another, fostering a culture of empathy and support in our daily interactions.

# Key Stage 3– Years Seven and Eight

This week we would like to introduce our new Keystage 3 Lead - Dr Dee King. With a wealth of experience in the pastoral field Dr King is looking forward to taking on the role and continuing to guide and develop the Key Stage. Your first point of contact should be the form tutor but should you need Dr King her email address is [dee.king@invictus.edu.sg](mailto:dee.king@invictus.edu.sg)

This week Mrs Burke delivered assembly related to Valentines day and why positive relationships and friendships are so important. Mrs Burke reminded us of the value of these friendships and what we can do to keep the friendships positive.

In some of the form time sessions this week we have been doing rebus Challenges challenging cognitive ability. Can you manage to answer any?

# Help needed!

In a few weeks time I will be travelling to Cambodia with the Valkyries (a girls rugby team made up of players from different teams across Singapore)!

We travel to play rugby and take donations to support a charity there called the Balopp Initiative. This charity supports underprivileged and disabled children to engage in sports including rugby helping to promote social inclusion and education. This year we are collecting donations of used sports kits for the children to use. We will spend one day playing with disabled and homeless children and another day playing games against teams run by the charity! I went last year and it was great fun and I made some brilliant new friends who love the same sport as me! ! It is really important to me that I help children who are having a tough time, because I am so lucky to have my life!

*Hi! My name is Kitty, I am in year 7 and I am in Otter house! I play rugby with my team the Titans RFC and train every week just 10 minutes from our school on Dover Road. I play contact rugby on a mixed team and also on a girls only team, in league games and in tournaments.*

Rugby and this trip build into the core values of our school: RESPECT and CARE - respectfully gaining an understanding of the challenges others face, COLLABORATION - developing life skills and working together to make a change,

If you would like to help us, please leave any used sports kit donations with reception. Money can be donated in a sealed envelope labeled 'Donation for the Balopp Initiative'. We will use money to purchase mouthguards to take. Please also leave your name if you donate. We need donations by 4th March please!
