# Message from the Principal

Dear Parents/Guardians,

We have had another incredibly busy week, and I find it hard to believe that we are already at the end of week five of Term 3. It was lovely to see so many parents visiting the school during this week's drop-in sessions NB: Parent drop-ins, some pictures from which you will see later in our newsletter. Our KS3 project study took a new and interesting turn this week with students focusing on life skills, following on from the study skills and financial literacy work done earlier in the academic year. The first life skill involved cross-stitching, which we hope will lead to more adventurous projects in the coming weeks.

Please look for the parent survey link towards the end of this newsletter and submit your feedback as soon as can. As you are aware are committed to fostering open communication and we need your feedback and thoughts in order to continuously improve.

Mr. Tiui will be reaching out to the parents of our older students in the coming weeks to explore the possibility of an excursion to the Banksy exhibition in Singapore. I hope this trip will go ahead and that our students will take the opportunity to view Banksy's artwork firsthand.

Wishing you all a lovely weekend and a well-deserved rest.

Best regards,

Craig

Craig Cooper

# ATTACHMENT + PLAY = THRIVE

UNLOCKING THE MAGIC OF ATTACHMENT AND PLAY TO  
HELP CHILDREN THRIVE

**Statistics reveal that children are increasingly disposed to poor emotional and mental health. Why is this happening? How do we help our children to be well adjusted and resilient?**

In this interactive presentation, we will explore:

1. what is attachment and how it affects our children's ability to thrive;
2. how play builds attachment and positively affects our children's
  - emotional regulation
  - behaviour
  - choice making
  - academic performance; and
3. how you can intentionally strengthen attachment with your child using play.

This in-person introduction session is designed for participants to taste the power of attachment & play in order to gift it to our children.

# Physical Education

## Swimming Lessons (Year 1,2,3,7,8 & 9)

Swimming lessons will commence on the 3rd of February, following the Chinese New Year break, and will run until the 21st of March, spanning 7 weeks. Currently, the students are participating in offsite PE lessons for approximately 3 to 3.5 weeks while we wait for swimming lessons to commence.

## Offsite PE Lessons (Year 4,5 & 6)

Students in Years 4, 5, and 6 will not be participating in swimming lessons this term. Instead, they will continue to with their PE lessons offsite at the field.

## Additional Notes

With the weather heating up, keeping our students hydrated during PE lessons is a top priority. Water bottles would be mandatory for all PE lessons. For those with regular field activities, a thermal water bottle is highly recommended to ensure they stay cool and refreshed throughout their sessions.

# Parents' Feedback Form

At Invictus, we are committed to fostering open communication with our school community. To make it easier for parents and guardians to share their thoughts, we have implemented a standardized feedback form across all campuses.

Please use this form to submit compliments, informal complaints or general suggestions

# Play Beyond – Empowering Play, Sustaining Tomorrow

We are proud to announce a partnership with Play Beyond, providing a platform for children and families to contribute to a sustainable future with an option to donate or sell toys they have outgrown.

In January, Play Beyond will join us in our school to share more details with the children regarding their purpose in setting up Play Beyond and we will have a toy collection drive in our school.

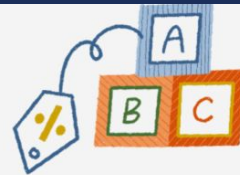

For now, please visit their website as there is an option to donate used toys to Red Cross or sell them as well. On their website, there is a list of toys for sale, which might catch your child's eyes. What a better way to declutter outgrown toys especially with Christmas round the corner. # Road Safety

The school is situated on a quiet one-way road, but it's important that children are aware of our expectations regarding safe departure and arrival. To this end, pupils will receive their annual reminder regarding road safety next week from their tutors. The school has previously contacted the local authority regarding traffic calming options, but has been unsuccessful. We encourage parents to appeal should they wish to see signage or similar installed.

Parents are similarly encouraged to ensure pupils cross safely from the dismissal ramp, and walk only along the pavements. Younger children seeing safe use of roads is important for building their independence.

Dear Parents/Guardians,

We hope you and your child have been enjoying your time at Invictus Bukit Timah! Your feedback is invaluable to us and helps other families make the right choice for their child's education.

If you have had a positive experience with us, we would love to hear about it! Please take a moment to leave a Google review and share what you love about our school. Your kind words can make a big difference!
