Message from the Principal

Dear Parents/Guardians,

We have enjoyed a full and action-packed first week of Term 4, with students enjoying Hari Raya assemblies designed to celebrate and explore the food, traditional dress, fabrics, shadow puppetry, and dancing associated with this holiday.

I visited several Science and Music lessons this week, and I was particularly impressed with the experiments Y4 were carrying out and the children's attention to detail as well as Y1's tambourine. I also visited several extracurricular activities to see Fundamental Art, Anime Comic Strip, and 3D Printing ECAs.

Please see the photographs of our new Y1-Y3 playroom later in the newsletter. This room will be further enhanced with additional equipment over the coming weeks, but even in its partially furnished state was well received by the children.

Dates for your diary:

- Y6 Primary Checkpoint exams: 15th 16th 17th April - Maths - English - Science
- Y9 Checkpoint exams: 21st, 23rd & 25th April - English - Maths - Science
- 23rd April International Book Day

Wishing you all a restful and well-deserved weekend,

Craig

Craig Cooper

New Y1-Y3 Playroom

Our new playroom opened this week and although we are still waiting for balls for the pit and the soft slide to arrive next week the space was well received by the children.

Physical Education

Swimming Lessons (Y4,5,6)

Swimming lessons will commence on the 10th April, and will run until the 30th of May, spanning 7 weeks. As swimming is part of the school curriculum, students who are unwell or unable to participate are required to provide a medical certificate, a doctor's letter, or an email from a parent to be excused from the lesson.

Offsite Lessons (Y1,2,3,7,8,9)

Offsite lessons are running as per usual at the basketball court or the field.

Additional Notes

With the weather heating up, keeping our students hydrated during PE lessons is a top priority. Water bottles would be mandatory for all PE lessons. For those with regular field activities, a thermal water bottle is highly recommended to ensure they stay cool and refreshed throughout their sessions.

Play Beyond – Empowering Play, Sustaining Tomorrow

We are proud to announce a partnership with Play Beyond, providing a platform for children and families to contribute to a sustainable future with an option to donate or sell toys they have outgrown.

In January, Play Beyond will join us in our school to share more details with the children regarding their purpose in setting up Play Beyond and we will have a toy collection drive in our school.

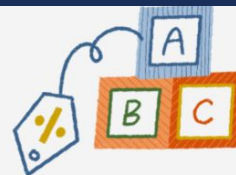

For now, please visit their website as there is an option to donate used toys to Red Cross or sell them as well. On their website, there is a list of toys for sale, which might catch your child's eyes. What a better way to declutter outgrown toys especially with Christmas round the corner. Road Safety

The school is situated on a quiet one-way road, but it's important that children are aware of our expectations regarding safe departure and arrival. To this end, pupils will receive their annual reminder regarding road safety next week from their tutors. The school has previously contacted the local authority regarding traffic calming options, but has been unsuccessful. We encourage parents to appeal should they wish to see signage or similar installed.

Parents are similarly encouraged to ensure pupils cross safely from the dismissal ramp, and walk only along the pavements. Younger children seeing safe use of roads is important for building their independence.

Dear Parents/Guardians,

We hope you and your child have been enjoying your time at Invictus Bukit Timah! Your feedback is invaluable to us and helps other families make the right choice for their child's education.

If you have had a positive experience with us, we would love to hear about it! Please take a moment to leave a Google review and share what you love about our school. Your kind words can make a big difference!
