Message from the Principal

Dear Parents/Guardians,

Today is the very last day of the academic year and what a year it has been. It is impossible to reflect on the events, opportunities and triumphs of the year, as there have been so many, but I have seen our students take every single opportunity in their stride throughout this year and many personal successes along the way. None of this success would have been possible without the continued support of the parents and sometimes extended family of our students, and for this I thank you from the bottom of my heart.

I would also like to take this opportunity to thank both the academic and non-academic teams in the school, as it is their support and tireless determination to make each end every opportunity and learning experience as full and possible and better than the last. Today we say goodbye to Dr Dee King (Head of KS3 & Head of Science) and Ms Danni Shaw (Head of KS1 & Year 1 Homeroom Teacher). Although both departures represent an incredible loss to our community, we wish them all the best for the future and hope that they will drop in to visit Invictus Bukit Timah whenever they are close by to say hello.

Dates for your diary:

- Monday 18th August - New Student Induction Day
- Tuesday 19th August - All students return
- Wednesday 27th August - Meet the Tutor Day

Wishing you all a well-deserved and restful summer break. Safe travels.

Best wishes,

Craig

Family Funfair

The morning started off with light showers and we wondered if it would affect our bouncy castle but thankfully, we had the sun shining brightly through those rain clouds.

It was such vibrant atmosphere with families from both Centrium and Dempsey joining us on Saturday. All stalls were busy till the end of the funfair and we even had to restart the candy floss machine as children kept coming back for more!

Thank you for your support and I know our next funfair will be just as fun, if not more.

Year 7 and Year 8 camp at Desaru

This week Mr Jimmy and I accompanied our Years 7 and 8 students on their camp with students from our Centrium campus.

This camp provided our students with a series of 'first time' experiences. At first, our students stayed close to each other but as the days evolved, it was wonderful watching them interact and participate and group activities with students from Centrium.

Everyday, we asked them what the highlight of their day was. With beaming smiles they would share their stories. It was a rather adventurous camp with so many good memories. We are so very proud of our students as they displayed our school values; Commitment, Aspiration, Resilience and Empathy. A final BANG before the summer holidays.

YEAR 7 & 8

DESARU ADVENTURE CAMP (JUNE 16-19, 2025)

DAY 1

DESARU FRUIT FARM

Students tasting fresh fruits like rambutans, pineapples, and dragon fruits, interacting with animals at the mini petting zoo, and enjoying tractor rides through the orchard.

DAY 1

AMAZING RACE@ FISHERMAN MUSEUM

Year 7 and 8 students racing through an exciting blend of history, culture, and teamwork.

DAY 1

TEAM BUILDING GAMES

Students engaging in team building games to build up their camaraderie.

DAY 2

ORGANIC FARMING & RICE PLANTING

Getting our hands dirty in the organic farm was really cool. We planted rice seedlings in the muddy fields, learning how farmers grow food without using chemicals. We helped make compost and saw how natural pest control works. It was hard work but fun, and we felt proud knowing we were doing something good for the environment.

DAY 2

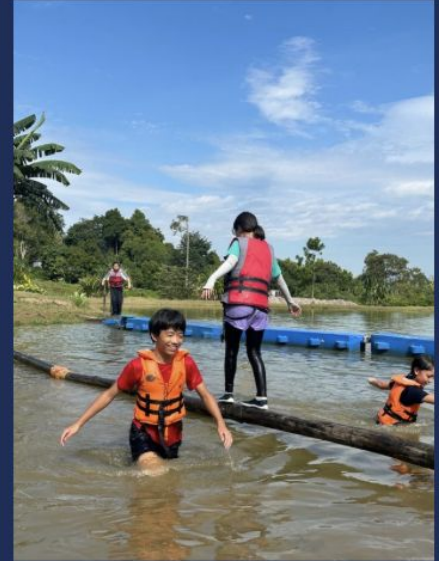

OUTDOOR COOKING

Gathering firewood, preparing ingredients, cooking over open flames or portable stoves, and proudly presenting our own homemade pizza and bread. The weather was hot but it was an enriching experience!

DAY 2

WATER OBSTACLES & KAYAKING EXPERIENCE

We are balancing on floating platforms, navigating rope bridges, and paddling kayaks across calm waters. Laughter, splashes, and moments of triumph are frozen in time, showing teamwork, resilience, and confidence-building.

DAY 2

OSTRICH FARM

DAY 3

TREKING EXPEDITION TO GUNUNG ARONG

"The trek up Gunung Arong was tough, but so worth it. We helped each other across rocky paths, and stopping to catch our breath under the trees. We were sweaty, muddy, and tired—but also laughing, encouraging one another, and pushing ourselves beyond what we thought we could do."

DAY 3

TREKING EXPEDITION TO GUNUNG ARONG

Reaching the summit was the best feeling ever. The view was breathtaking—totally worth every step. It was a real adventure, and we felt stronger, braver, and more connected because of it."

DAY 3

CAMPFIRE NIGHT

"Campfire night was one of the best parts of the trip. The photos show us in groups performing. We sang songs, performed silly skits, and cheered for each other like crazy. There was so much laughter and good vibes."

DAY 4

It's the last day of our trip. After our breakfast, we rolled up our sleeves for area cleaning – it felt good to give back and leave the place better than we found it.. After that, we gathered for our final debrief and bid farewell to Desaru.

DAY 4

We shared our favourite moments, laughed about the challenges, and talked about what we learned over the past few days. It was a little emotional, knowing the trip was ending, but we felt proud of everything we had experienced together. Then it was time to head back to Singapore – tired but happy, with memories we'll never forget.

Physical Education

Swimming Lessons (Y4,5,6)

Swimming lessons will commence on the 10th April, and will run until the 30th of May, spanning 7 weeks. As swimming is part of the school curriculum, students who are unwell or unable to participate are required to provide a medical certificate, a doctor's letter, or an email from a parent to be excused from the lesson.

Offsite Lessons (Y1,2,3,7,8,9)

Offsite lessons are running as per usual at the basketball court or the field.

Additional Notes

With the weather heating up, keeping our students hydrated during PE lessons is a top priority. Water bottles would be mandatory for all PE lessons. For those with regular field activities, a thermal water bottle is highly recommended to ensure they stay cool and refreshed throughout their sessions.

Engineering Design Challenge

Key Stage 3 students participated in a simple challenge in Science this week to create a paper ball run for a table tennis ball! They could use only 30 sheets of paper and tape and had to make a run that was a minimum of 25 cm high! They used a simple formula to calculate their score. Time taken for the ball to travel through their run x 4 – the number of sheets of paper used!

If you are short of ideas for activities this summer then get stuck into science! The Science Centre has a Juneureka event running until the end of June. Or visit: <https://www.sciencebuddies.org/stem-activities> for some STEM holiday project ideas!

Road Safety

The school is situated on a quiet one-way road, but it's important that children are aware of our expectations regarding safe departure and arrival. To this end, pupils will receive their annual reminder regarding road safety next week from their tutors. The school has previously contacted the local authority regarding traffic calming options, but has been unsuccessful. We encourage parents to appeal should they wish to see signage or similar installed.

Parents are similarly encouraged to ensure pupils cross safely from the dismissal ramp, and walk only along the pavements. Younger children seeing safe use of roads is important for building their independence.

Dear Parents/Guardians,

We hope you and your child have been enjoying your time at Invictus Bukit Timah! Your feedback is invaluable to us and helps other families make the right choice for their child's education.

If you have had a positive experience with us, we would love to hear about it! Please take a moment to leave a Google review and share what you love about our school. Your kind words can make a big difference!
