# Message from the Principal

Dear Parents/Guardians,

The penultimate week of the academic year has been incredibly busy with all three key stages delivering their Invictus Inspire performances on Thursday and Friday, and the Year 6 Graduation Ceremony earlier today. We also transitioned our Year 1 to 8 students today, which involved introducing them to their Homeroom Teacher for next year and room allocation. All involved enjoyed talking about the year ahead and the move up to the next Year Group!

We have almost completed the residential trips for this year with only Years 7 & 8 still to go on their expedition to Desaru Monday to Thursday next week. I would like to take this opportunity to thank the students for representing Invictus so positively throughout all the trips so far, the staff for organising/supporting these trips, and our parents for their continued support of such fantastic opportunities.

Dates for your diary:

- Invictus Family Funfair - Saturday the 14th of June - Further information later in this newsletter
- Year 8 & Year 9 Desaru Residential Trip Monday the 16th to Thursday 19th of June
- End of Term Morning Celebration Friday the 20th of June
- 1/2 Day Friday the 20th of June - 12:00 dismissal

Hoping to see you all on Saturday at the Funfair!

Wishing you all a well-deserved and restful weekend,

Craig

## Family Funfair

The long awaited Family Funfair is finally here! Our students have been so excited, mainly for the bouncy castle, whereas the adults are looking forward to the sweet treats and clay making activity.

The funfair would be a great opportunity for families to meet each other and make new friends. Just like how our students have playdates, it's the adult's turn tomorrow.

Do spread the word and invite your family and friends to join us tomorrow.

## Invictus Inspire

Our school has been buzzing this week with student's performances across all year levels. Performances ranged from reciting poems, dramas, dances, playing different musical instruments and singing.

The happiest moments for all our students was spotting their family in the crowd, regardless of age. Our Year 1s couldn't wait to wear their costumes on stage and our Year 9s were happy to showcase their very own choreographed dance.

Thank you to all families who attended our Invictus Inspire.

# Physical Education

## Swimming Lessons (Y4,5,6)

Swimming lessons will commence on the 10th April, and will run until the 30th of May, spanning 7 weeks. As swimming is part of the school curriculum, students who are unwell or unable to participate are required to provide a medical certificate, a doctor's letter, or an email from a parent to be excused from the lesson.

## Offsite Lessons (Y1,2,3,7,8,9)

Offsite lessons are running as per usual at the basketball court or the field.

## Additional Notes

With the weather heating up, keeping our students hydrated during PE lessons is a top priority. Water bottles would be mandatory for all PE lessons. For those with regular field activities, a thermal water bottle is highly recommended to ensure they stay cool and refreshed throughout their sessions.

# Year 6 Excursion to Malacca

## Year 6 Malacca Immersion Trip – A Journey of Discovery and Growth

From historical landmarks to cultural experiences, our students embarked on a meaningful 4-day learning journey to Malacca that blended education with real-world exposure and personal growth.

This trip was not only educational but also a chance for students to build friendships, develop global awareness, and gain a deeper appreciation of Southeast Asian history and culture. It was indeed a meaningful blend of education, culture, and camaraderie that left lasting memories and broadened perspectives.

# OFF WE GO...

# DAY 1

Ho Chi Minh Agricultural Village Tour is eye-opening! The farm-to-table concept reminds us the beauty of farm produce.

Students enjoyed shopping at Ben Thanh Market which is a large, historical, and popular market located in the heart of Ho Chi Minh City.

# DAY 2

We rode the boats to discover My Tho Mekong Delta River, experiencing how villagers get connected with the other before the bridge was constructed. We also savored Vietnam's delightful honey tea and freshly made coconut candy, while also discovering how the locals produce these treats.

Water Puppet Show features traditional Vietnamese music and stories, bringing rural life and historical narratives to life in an engaging way. I personally like the scenes about fish catching the most.

# DAY 3

When we got there, it was super hot. We just ran up the hill! Black Virgin Mountain was pretty easy to get to. The climb had lots of steep steps, and when I looked back, the view was absolutely amazing. It was a tiring but memorable experience.

We also took the Cable Car to visit Ba Den Temple a Buddhist temple located on Ba Den Mountain, the highest peak in Southern Vietnam.

# DAY 4

The War Remnants Museum provides insight into the Vietnam War's impact, while Independence Palace symbolizes Vietnam's history, offering a glimpse into its political past and architectural grandeur.

# Students' Reflection

"I learned that the smaller villages further away from the city center are more dependent on themselves for food and other goods. For example, on the first day of the trip to the Cu Chi tunnels, I saw how the rice papers were made by tring rice grain. People in these small villages eat more organic foods than the people I see in Ho Chi Minh City." - Joachim

"My first day in Vietnam was easily the best part of the whole trip—it was so cool! We started at the Cu Chi Tunnels, where we checked out all these clever booby traps, like the door trap, flip trap, and spin trap. They were kind of spooky but super interesting! We also saw a real decommissioned M41 tank, which made me feel like I was in a history book. After that, we went to the rice fields, where I learned how to plant rice and why teamwork is so important. They also taught us how to pick the right time and place to plant, which was trickier than I thought. Looking back, this day made me think a lot. I didn't just learn about tunnels or rice—it showed me how hard people work and how history is still all around us. I felt proud to be part of it all, and it made me want to learn more about other places and how people live." - Akira

"Hiking Black Virgin Mountain taught me resilience and teamwork. Despite the heat and steep steps, I pushed through, amazed by the stunning views. The temple visit and local culture showed me Vietnam's rich history. This tiring but unforgettable day made me appreciate perseverance and new experiences." - Doguen

# Road Safety

The school is situated on a quiet one-way road, but it's important that children are aware of our expectations regarding safe departure and arrival. To this end, pupils will receive their annual reminder regarding road safety next week from their tutors. The school has previously contacted the local authority regarding traffic calming options, but has been unsuccessful. We encourage parents to appeal should they wish to see signage or similar installed.

Parents are similarly encouraged to ensure pupils cross safely from the dismissal ramp, and walk only along the pavements. Younger children seeing safe use of roads is important for building their independence.

Dear Parents/Guardians,

We hope you and your child have been enjoying your time at Invictus Bukit Timah! Your feedback is invaluable to us and helps other families make the right choice for their child's education.

If you have had a positive experience with us, we would love to hear about it! Please take a moment to leave a Google review and share what you love about our school. Your kind words can make a big difference!
