# Welcome from the Principal

Hindsight is a wonderful thing and looking back, we should have called this the inspirational sports day edition.

As I am sure you can imagine, a lot of work goes on in the background by dedicated staff to ensure a whole rounded education and today is certainly demonstrative of what happens when a community pulls together in the name of education. I am very proud of the staff and the students for all of their efforts today, setting not only new records on the track and field to begin a schools long history but also breaking new ground on future events and expectations. I am always honest and hold my hands up to say schools are not perfect (and be careful of any who claim to be) and as we expect your children to; we learn , reflect and develop on ourselves every single day with events such as this in addition to everyday practice. Thank you to all the staff , students and parents.

I wish you a lovely weekend ahead.

# IMPORTANT INFORMATION

I have found out today that it has been decided that the 9th February will be a half day.

Students will be collected or go home at 12.00 for Chinese New Year.

# Chinese Language

This week, the pupils are all gearing up for the upcoming Chinese New Year celebration. The festive spirit fills the air as they enthusiastically engage in traditional art of calligraphy writing and painting. Pupils learned about the significance of Chinese couplets, which are auspicious phrases expressing good wishes for the new year. These couplets are usually put up on each side of the door. Pupils had a pair written for their classroom and are excited to bring their beautifully written couplets back to decorate their home.

# 2024

HAPPY CHINESE NEW YEAR  
YEAR OF THE DRAGON

# Music

This week the Year 2 students revised on the CDEFG notes and had great fun composing a short melody on the keyboard. They proudly performed it for their peers in class. The Year 3 students worked hard in perfecting their choir ensemble song singing Gong Xi Gong Xi. Students from various year groups explored the Lion Dance percussion ensemble rhythm and had fun exploring the “Tanggu” (chinese drums) “Bo” (chinese peking cymbals) and “Muyu” (chinese temple block). At the Invictus Strings ECA, the students are practicing hard towards their performance for next week’s Chinese New Year assembly playing Long Long Ago and Gong Xi Ni violin duet piece. (Ms. Sara)

# Instrumental Music Programme

*Our in-house Instrumental Music Programme registration is still open. If you would like to enroll your child to learn to play a musical instrument at school please complete the registration form by following this link:*

# Key Stage 1 – Years One and Two

Joyous Lifelong Learning  
Taking pleasure in learning and growth

What an assembly we had this week!

2.1 has been exploring Biomes in Humanities and shared their learning with the KS1.

They prepared a fabulous presentation centered around Lois Armstrong's 'What a wonderful world'. The pupils spoke with confidence and passion when sharing some of the places around the world that are special to them, with many children in the audience excited to see some of the places that had also visited.

Well done 2.1!

# Key Stage 2- Years Three, Four and Five

This week's assembly was conducted by Mr Burke. We reflected on the impact our choice of words and language can have on ourselves and the people around us; how to choose and use language to make others feel valued. We used metaphors of a tube of toothpaste and paper hearts to illustrate this and our KS2 pupils were able to come up with some meaningful and actionable examples of how to show kindness to others.

**Pangolin for the win!**

We held our first Table Tennis competition among the houses during break times. Congratulations to Duncan Lin and Rahul Mohan from Year 5.2 for coming in the 1st and 2nd place!

# Key Stage 3- Years Seven and Eight

Our oldest students have again been looking at career choices following their work on Unifrog last week with excitement! It's given new ideas and fresh perspectives, they have been shown how to use Unifrog independently to join the MOOCs and Webinars related to their interests.

Assembly this week was hosted by Mr Burke on the topic of kindness and how we can use our words kindly. Mr Burke had some fantastic examples to show students using a tube of toothpaste, spoons and paper hearts! There was some great opportunities to reflect on the impact of the words that we use.

And of course the build up and excitement of sports day has been palpable and the students did not disappoint! They put in a tremendous amount of effort and it was wonderful for our younger students to have so many 'wow' moments watching the KS3 students compete. I can't wait to hear all the school records they have set!

# A Super Sports Day!

🏆 ⭐ Today, Invictus International School Bukit Timah came alive with the exhilarating energy of our first Sports Day, where our young athletes showcased their skills, determination, and unity!

Students from Year 1 to Year 8 competed in a variety of events, including sprints, jumps, throws, and relays. It was inspiring to see them pushing themselves to new heights and having fun at the same time! Congratulations to all our students for their remarkable performances and for embodying the spirit of Invictus both on and off the field! 🙌 🏃

Thanks to all our parents who joined in and cheered for the children, creating an atmosphere of unwavering support that uplifted the spirits of our pupils. 🏅 🎉
